

HONORING LT. MICHAEL P.
MURPHY

HON. PETER T. KING

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 12, 2011

Mr. KING of New York. Mr. Speaker, today I rise to honor the life of Lt. Michael P. Murphy. Lt. Murphy grew up in the Long Island town of Patchogue and fulfilled his dream of becoming a (U.S.) Navy SEAL in 2002. He served honorably in Jordan, Qatar, Djibouti, and made the ultimate sacrifice during his deployment to Afghanistan. Lt. Murphy and three of his fellow SEALs were killed during their mission to find a key Taliban commander. Lt. Murphy posthumously received the Medal of Honor for his "undaunted courage, intrepid fighting spirit, and inspirational devotion to his men in the face of certain death."

I am proud to stand with the Navy which decided to name its newest warship in honor of Lt. Murphy on what would have been his 35th birthday. The USS *Michael Murphy* DDG-112, a guided-missile destroyer, will be able to carry on the legacy of its namesake by performing a multitude of tasks including crisis management, sea control, and power projection. It will also be able to conduct air, surface, and below surface operations in support of maritime warfare.

It was fitting that the christening ceremony of the USS *Michael Murphy* occurred just one week after the successful operation to hunt down and kill Osama bin Laden. We owe a great deal of thanks to people like Lt. Murphy, the Navy SEALs, and all the men and women of our military. These brave individuals put their lives at risk everyday to keep us safe. May God Bless America and all the brave men and women who protect us at home and overseas.

**PRESIDENT MA YING-JEOU'S
THIRD ANNIVERSARY IN OFFICE**

HON. ENI F.H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 12, 2011

Mr. FALEOMAVAEGA. Mr. Speaker, on the occasion of President Ma Ying-jeou's third anniversary in office this May 20, I wish to express my congratulations to the leaders and the people of the Republic of China.

Mr. Ma Ying-jeou was inaugurated as President of the Republic of China on May 20, 2008. During the last three years, Taiwan President Ma Ying-jeou has steadily and dramatically improved Taiwan's relations with the Chinese mainland. There are now 370 direct flights from cities in Taiwan to cities in China every week, relaxation of China-bound investments, more visas for mainland tourists and more exchange in many areas.

Committed to pursue reconciliation with the People's Republic, President Ma believes in a systematized dialogue between the two sides, the development of healthy cross-strait relations and the advancement of regional peace and stability. He argues that Taiwan and the PRC can co-exist while maintaining their differences. A win-win situation, President Ma opines, is in the best interest of all Chinese people and the world. As a result of his vision, peace is prevailing in the Taiwan Strait today.

Business is also good for both the Taiwanese and Chinese people. Taiwan and China inked the Economic Cooperation Framework Agreement (ECFA) last summer and President Ma has restarted the institutionalized cross-strait talks. As Members of this body, we thank President Ma for his courage and wisdom in initiating and continuing a pragmatic and yet flexible approach in handling cross-strait relations.

While cultivating a peaceful development across the Taiwan Strait, President Ma has also been working closely with the U.S. government. Our mutual relationship is strong and we applaud Taiwan's cooperation with us, especially in the war against global terrorism.

We are confident that relations with Taiwan will grow even stronger in all areas, including trade, science and technology, educational exchange, military sales and Taiwan's participation in international agencies. For the last three years, U.S.-Taiwan relations have been excellent, far superior to any period in recent memory.

I am pleased that Taiwan was once again invited to attend this year's World Health Assembly (WHA) in Geneva, Switzerland as an observer and I am hopeful that Taiwan's continued participation in the WHA will lead to Taiwan's participation in the activities of other international organizations such as the International Civil Aviation Organization (ICAO) and the United Nations Framework Convention on Climate Change (UNFCCC).

In celebrating President Ma's third anniversary in office, I credit him for these successes and join with my colleagues in extending our best wishes to him for his continued success.

RECOGNIZING ROD DOLE

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 12, 2011

Ms. WOOLSEY. Mr. Speaker, I rise today with my colleague, Representative MIKE THOMPSON, to honor Rod Dole of Sonoma County, California, who is retiring May 31, 2011, after 25 years as the County's Auditor-Controller. During his long tenure, Mr. Dole was responsible for overseeing a wide variety of County financial operations, including serving as Treasurer-Tax Collector when those positions were consolidated with his office 5 years ago.

With a Bachelor of Science Degree in Business Administration and certification as both an Internal Auditor and a Government Financial Manager, Rod Dole was hired as an auditor in 1976. He was appointed to the Auditor-Controller post in 1985 and subsequently elected. He continued to be re-elected by residents who appreciated his confident and sure hand in this key position. He has served in a number of related organizations including Chair of various committees in the State Auditor-Controllers and Treasurer-Tax Collector Associations, the State Controller, and the State Treasurer as well as President of the State Auditor-Controllers Association.

Locally, Mr. Dole has worked with a variety of service clubs and non-profit organizations, on the board of Redwood Credit Union, and on the boards of both the Sonoma State University School of Business and Economics and the President's Advisory Committee.

A man of many accomplishments in his field, he is particularly known for authoring State legislation for the "Teeter Credit" regarding property tax payments to local agencies; chairing State committees on property tax guidelines and spending limits; and most recently for administering the Sonoma County Energy Independence Program (SCEIP), a national model for a mechanism permitting loans for energy efficiency upgrades through property taxes. He advocated strongly for the program in the face of Federal restrictions on such loans, and SCEIP has won numerous awards as well as a \$3 million grant from the California Energy Commission.

It is a key component of Sonoma County's leadership in reducing greenhouse gas emissions and saving energy and has provided hundreds of local construction jobs.

Rod Dole looks forward to his retirement with Kathie, his wife of 35 years, and will have time to appreciate his cabin at Lake Almanor and his hobbies of golf, fishing, boating, tennis, and woodworking. He also has two children, Laura and Michael.

Mr. Speaker, we ask you to join us in commending Rod Dole's 35 years of service to the people of Sonoma County. We wish him an enjoyable retirement with his family.
